Feedback on the feedback

SICSS Bamberg - Day 1 Feedback

Carsten and Julian

Things people wanted to KEEP

- group activities, reshuffling groups
- discussions
- atmosphere
- video lectures, but with breaks and interruptions

Things people wanted to STOP

- "nothing"

Things people wanted to START

- addressed to everyone: try to speak loud and clear
- snacks for coffee breaks
- start technical training
- short breaks between lectures
- "AC"
